Answer two questions

Use a separate answer book for this section

1. What are the key elements of the planning process?
2. Examine the legacy of Ebenezer Howard to urban planning.
3. Identify the key features of post-war urban planning in Britain. How, if at all, have they been mirrored in Ireland?
4. What do planning policies in a rural context seek to achieve?
5. Examine the importance of the 1963 Local Government (Planning and Development) Act in the Irish planning system.
6. Assess the role of the recently published Galway Corporation Development Plan (1999) in addressing local planning issues.
