IT333 (Italian Civilisation)

Please answer one of the following questions:

1. Discuss the development of at least one sector of the Italian economy in the twentieth century.
2. Discuss the distribution of industries in the Italian peninsula, with reference to both the difference between North, Centre and South and the phenomenon of the “distretti industriali” in the twentieth century.
3. Discuss the rigidity of the Italian labour market and its consequences for employment and for the economy in the last fifty years.
