Requirements:

MCQ
 Handout
 Statistical Tables
 Graph Paper
 Log Graph Paper
 Other Material

Answer **both** questions. The questions carry an equal mark. Use a separate booklet for each question. You are expected to support your answers by referring to relevant literature.

Question 1

100%

Watson (1985) proposes that caring is the basis of altruism, while Travelbee (1971) and Benner & Wrubel (1989) propose altruism is the basis of caring.

Critically debate this statement.

Question 2

100%

“Practice development activity occupies an ambiguous position in relation to both clinical practice and research” (Clarke & Proctor, 1999, p.975).

Critically analyse this issue.
