

Ollscoil na hÉireann
NATIONAL UNIVERSITY OF IRELAND

DR H H STEWART MEDICAL SCHOLARSHIP EXAMINATION, 1998

ANATOMY
Professor B J Moxham

Wednesday, 27 May 1998

9.30 - 12.30

Please attempt all the questions

1. Write an essay on the anatomy of exocrine glands.

2. Give an account of the movements that occur during respiration.

How are these movements affected by changes in posture?

3. Discuss the mechanisms by which bones grow.

4. Write an essay on the anatomy of ageing.
